

The HSPT® E-Score is an online application that takes the place of the HSPT® Answer Sheet and provides a process for quick scoring and reporting of student data. HSPT® test booklets are still required for testing. Any form of the HSPT® may be used and it can be administered to groups or individual students. Schools will be billed on a monthly basis. Please contact STS at 1.855.532.0787 for more information or to set up an account.

Administrator Features

Prior to student testing, the administrator logs in to set up a test session.

Score Reports

After the students have completed testing, the administrator will submit tests for scoring. Within minutes, the score reports will be posted on the administrator home page. A performance profile will be provided for each student along with a class roster for each test session.
