

Electronic Reports Available

Scholastic Testing Service, Inc. offers the flexibility of ordering scoring service reports in paper or electronic form. Order your reports in electronic form to:

- reduce or eliminate shipping costs,
- reduce time spent waiting for results to arrive, and
- become more organized and eliminate the need to store paper copies of students' results.

Scoring Service Reports (PDF file)

All of the reports that STS offers are available as PDF files.*

- Receive 1 PDF file for each report ordered.
- Quickly locate a student's results within the file using the find command.
- Pricing is the same for paper.
- Choose to have PDF reports emailed or sent on a CD.**

* Pressure sensitive labels are not available as a PDF.

** Shipping charges apply for files sent on a CD.

Student Data File (CSV file)

Student data files are also available to order. A student data file contains raw data of all students' identification information and scores.

- Raw data in this format can be sorted by any field and imported into a spreadsheet or database.
- A data file layout sheet is also provided to detail what information is stored in each field.
- Choose to have the CSV Student Data File emailed or sent on a CD*.

* Shipping charges apply for files sent on a CD.
